The Lewis and Clark Expedition – 1804

This is a story of adventure, forging a trail into the great unknown. There was sickness, harsh weather, treacherous terrain, Indians, and threats of mutiny to overcome. The Expedition was led by Lewis and Clark but the other men also proved very valuable. Along the way they also picked up an Indian woman who would prove to be a gift from God in more ways than one.

Where were they heading? _____

Where did they start? _____

What was the route? _____

Who were the leaders? _____

Who was the Indian interpreter? _____

Taking a look at this site http://en.wikipedia.org/wiki/Lewis_and_clark and answer these questions.

What direction did they need to go? _____

List the events that happened on these dates.

May 14, 1804

—

August 20, 1804

April 1805

What did they take back and why?

March 23, 1806

July 3, 1806

August 11, 1806

September 23, 1806

You have just made a timeline of their journey!

What were some of the achievements they accomplished?

Of the men who went with them, several were accused of mutiny. Define “mutiny.”

It is also described as rebellion. What does the bible have to say about rebellion?

What does the bible say about obeying leaders and those in authority?

Discuss the importance of obeying leadership in our families and in our communities.

Closing prayer – “Dear Jesus, thank you so much for the pioneers who went ahead of us. Thank you for their examples of courage and strength. Please help us to learn more about obedience. In Jesus’ Name, Amen.”
